ETIWANDA SCHOOL DISTRICT SUPERINTENDENT UPDATE TO FAMILIES

March 27, 2020

We hope our families were able to relax and enjoy each other's company during Spring Break. Our District is very grateful for the partnership and support of our families as we enter the second instructional week of school closures. We remain in contact with state and local public health officials, monitoring the latest information regarding COVID-19. We appreciate your cooperation and patience as new information is released and we continue to adapt.

This communication contains updated information, so please read through the details carefully.

Meal Pick-Up Change: There will be a change to meal pick-up locations beginning this Monday, March 30. Meals will not be served at Golden Elementary due to limited storage space. Meals will be available 11:00 AM-12:30 PM Monday-Friday at the locations listed below:

- Heritage Intermediate School - 13766 S. Heritage Circle, 92336
 - Etiwanda Intermediate School - 6925 Etiwanda Avenue, 91739
 - **New!** Day Creek Intermediate School - 12345 Coyote Drive, 91739
- *No longer available at Golden Elementary*

Final Chromebook Check-Out: Tuesday, March 31st beginning at 4:00 PM through 6:00 PM

Location: Grapeland Elementary School - 7171 Etiwanda Ave.

Please remember:

- Families with one student enrolled in ESD may check out one Chromebook
- Families with two or more children enrolled may check-out a maximum of two Chromebooks
- A Chromebook is only needed if there are no other internet connected devices for students to use at home.

Distance Learning: Distance learning opportunities will resume beginning Monday, March 30. Please check your teachers' websites for specific details. Teachers and school administrators are available through email for those who have questions related to distance learning. Please use the district's Help Desk for assistance with technology-related issues at helpdesk@etiwanda.org.

Accelerated Reader (AR) quizzes are not available for students during the school closure window. This quiz feature is only available within a school site domain and during the school closure the AR program will be going through an important update.

We encourage your child to continue to read for enjoyment during this period, and to not worry about AR quizzes or points at this time. All school AR point programs have been suspended during the school closure period. We are happy to see the number of students checking-out ebooks consistently increasing in our online library programs, [SORA and Capstone](#).

Preschool, Transitional Kindergarten and Kindergarten enrollment information for the 2020-21 school year will be released next week.

Information pertaining to COVID-19 is fluid. Frequent updates will be posted to our District website which can be found at www.etiwanda.org and on our social media platforms (Instagram, Facebook, and Twitter). We encourage you to check these platforms regularly.
