E3 Foundation Announces Golf Tournament in Support of Local Schools

The Etiwanda Excellence in Education Foundation, better known as E3, invites the community to participate in the 3rd Annual Driving for Excellence Golf Tournament on Thursday, May 24, 2012, at the beautiful Sierra Lakes Golf Course in Fontana. Josh Lautenslager, E3 Director and tournament organizer promises, "The tournament will be challenging, exciting, and truly enjoyable. Even more importantly, all of the proceeds from the tournament will go back to the students and schools of the Etiwanda School District."

This year's event will begin with a scramble format start at 8:00 a.m. with teams of up to four and will feature many interesting opportunities for golfers. There will be prizes for the winning teams, closest to the pin prizes, opportunities for hole-in-one prizes, a chance to win in a putting contest, and raffle prize drawings. The cost to play is \$150 per individual or \$500 per foursome. The tournament will be limited to 150 players. In addition to players, event sponsors and donors are also needed to make the event a success.

The E3 Foundation is a non profit 501(c) (3) organization focused on "Enhancing a high quality, well-rounded education for ALL students in the Etiwanda School District". Founded in 2005 by a team of dedicated educators, parents and business professionals, E3 has raised over \$150,000 in support of education in the Etiwanda School District.

For more information regarding joining the tournament as a player, sponsor or donor, please visit the foundation's website at www.E3foundation.org, or contact the foundation at etiwandaexcellenceineducation@gmail.com.
