***Solorio Elementary School Announces:  
We are Data Driven and Using Education City***

Dr. Carol Pilgren, principal of *We are Data Driven and Using Education City* at the February 24, 2011, meeting of the Etiwanda School District Board of Trustees. Dr. Pilgren shared data analysis procedures and current intervention programs offered at Solorio Elementary School. One intervention tool, *EducationCity.com*, was shared in depth. *EducationCity.com* is an interactive website offering engaging educational, standards-based experiences. The presentation included a video testimony from third grade teacher, Mrs. Burke. In addition, four Solorio students shared their enthusiasm for *EducationCity.com* in several video segments. The students shared their favorite educational activities and how they monitor their own progress.

Mrs. Donna Mawhorter, assistant principal, took all in attendance on a virtual field trip to *EducationCity.com*. Various reports and methods for tracking student success were reviewed. The audience was able to experience a third grade activity entitled *Sleepy Sheep*, reviewing root words.

For more information about the Cecilia Lucero Solorio Elementary School presentation, please contact Dona Smerek at (909) 803-3101.
