## Press Release:

### ETIWANDA SCHOOL DISTRICT SEEKS COMMUNITY PARTICIPATION IN NAMING ITS NEW SCHOOL

The Etiwanda School District Board of Trustees is proud to announce that construction of the district's seventeenth school is underway. The site of the new elementary school is located on the west side of Lytle Creek Road, north of Summit Avenue in the city of Fontana. The school is anticipated to be completed for the start of the 2017-2018 school year.

The schools of the Etiwanda School District have always been a source of pride for the students, families, employees, and residents of the district. The Board of Trustees would like to involve the members of the school community in providing suggested names for the new school. Names may be submitted by residents of the Etiwanda School District, parents, students, board members, and district employees. Information is available at the district website: [www.etiwanda.k12.ca.us](http://www.etiwanda.k12.ca.us) regarding the process for submitting names based upon the required criteria. Suggested school names must be submitted to the Etiwanda School District, Superintendent's Office, **no later than February 26, 2016**. A screening committee, appointed by the superintendent, will review all school names submitted that meet the required criteria and it is anticipated that the Board will select a name for the school site in April 2016.
