Grapeland Elementary and Etiwanda Intermediate Awarded Grants to Support Physical Fitness

To further support the 2010 Governor's Challenge on Physical Activity, the San Bernardino County Supervisors from the 2nd and 5th Districts offered local awards for schools to participate in the activity. Schools in the County's 2nd or 5th Districts were eligible for additional funding to purchase physical activity equipment or to support physical education programs by being in the top five schools within the Supervisors' Districts. The Etiwanda School District is proud to announce that Grapeland Elementary placed 1st and was awarded \$5,000, and Etiwanda Intermediate placed 2nd and received \$3,000. San Bernardino County 2nd District Supervisor Paul Biane presented checks to Grapeland Elementary and Etiwanda Intermediate at their Back-to-School events.
