# Strategic Priorities

## 2016-17

*Board Approved: May 26, 2016*

**STUDENT LEARNING AND ACHIEVEMENT:** Our district's primary focus is to provide an enriching learning environment in which all students experience high levels of academic and social growth. Our district's instructional programs will prepare all students to achieve their full potential in high school, college and career.

**SAFETY AND WELLNESS:** Our district schools and facilities will create safe and secure learning environments for students and staff that support and promote learning, physical and social-emotional wellness and student engagement.

**TECHNOLOGY:** Our district will provide technology tools and skills that assist students in becoming life-long learners and allow teachers to effectively teach and engage students in a digital era.

**PARENT AND COMMUNITY ENGAGEMENT:** Our district will promote opportunities for parent involvement in support of student success and engage parents in developing and supporting goals for student achievement. The district will create community partnerships to enhance the fiscal and volunteer resources of our school.

**COMMUNICATION:** Our district will build pathways for communication between the school and the home, as well as inform the community regarding district successes and current issues and challenges facing the district and public education.

**HUMAN RESOURCES:** Our district will strive to hire and retain the most qualified candidates, reflecting the diversity of our student population, in order to achieve our primary focus of student learning and achievement.

**FISCAL PLANNING:** Our district is committed to fiscal solvency, and will utilize sound fiscal management practices to ensure that financial resources are maximized to meet the needs of current and future students.

**FACILITIES:** Our district will provide functional and updated facilities that support the instructional program and meet the district's educational priorities and goals.

**DISTRICT CULTURE:** Our district will strive to maintain the values of "students first," family spirit, respect, kindness, trust and honesty, which are foundations of our tradition of "excellence in education."
