

West Heritage Elementary School Library Gift Card Challenge 2010-2011

The gift card/scrip program is back for the 2010-2011 school year. Please help us raise much needed funds for the West Heritage Elementary School Library. Purchase gift cards through our scrip program. You will support your child's school library without spending any more money than your normal, everyday purchases. Shopping for groceries, school supplies, clothes...? Eating out at a local restaurant? Filling your car with gasoline? Traveling? Buying a present? Check out the list of gift cards on the back of this form—grocery stores, restaurants, entertainment, clothing stores, travel... Participation is simple. Take a look at a few of our favorite merchants on the back of this sheet. Choose \$10 or more in gift cards. Fill out the form and return the form along with payment to your School Office. You will get dollar for dollar value while helping add much needed books and other resources to your child's school library!! (The school library receives a percentage of each card purchased. This percentage is listed next to each merchant. Designate the school on the form below.)
